HVS Golf Services is a valuation, consulting and services organization specializing in multifaceted golf and resort community development and operation. Integrated through a network of 22 worldwide offices staffed by more than 200 seasoned industry professionals, the HVS brand offers unequalled expertise and service.

Golf stands alone in its ability to distinguish a project, and HVS Golf Services uniquely focuses on golf within the context of global objectives. Whether a stand alone facility, an exclusive private community, a destination resort or master planned community, HVS Golf Services provides the foundation for sound and profitable decisions.

From pre-development planning and financing, through project development and operation, our clients rely on the firm's specialized industry knowledge and expertise for advice and services geared to enhance economic returns and asset value.
