MARKET REPORT

Beyond Borders: Hospitality Updates from Across the Globe

JUNE 24, 2020

Industry experts from around the globe share what they are seeing in their markets today, the status of travel restrictions, how their governments are supporting the industry financially, and how they see the recovery process starting and playing out.

Industry experts from around the globe share what they are seeing in their markets today, the status of travel restrictions, how their governments are supporting the industry financially, and how they see the recovery process starting and playing out.
