Richard Katzman, Managing Director of HVS Mexico City, oversees the company's consulting practice throughout Latin America. In this webinar, organized by Mexico's leading real estate industry magazine and media platform, Inmobiliare, Richard and four fellow panelists discuss an anticipated path to recovery for the hotel and travel industry. Richard's presentation and comments center on drivers that will allow business and leisure travel to build in the coming months and years, as well as the possible impact of the current COVID-19 crisis on hotel values. The panel discusses practices and protocols being put in place, door to door, such that travelers can enjoy safe travel experiences, with a focus on work being conducted by the World Travel & Tourism Council. In addition, the panel touches on trends observed in aviation and on expected investor activity.

The webinar is conducted in Spanish.
